Dear Mr. Smith:

This is in response to your letter of October 13, 1981 in regard to the Bingham Tunnel water discharge. You requested a copy of any implementation plan developed by Kennecott in response to Mr. Sudweeks letter of September 30, 1981

I am enclosing a copy of my response to Mr. Sudweeks and the pertinent documentation of the water situation at the Butterfield Tunnel portal.

Please advise if you have further questions on this matter.

Very truly yours,

Robert J. Heaney
